The image features a black background with a fine, woven texture, similar to a fabric or a technical material. In the center, the text "Si-To MC" is written in a bold, white, sans-serif font. The letters are thick and have a slightly rounded appearance. The text is centered horizontally and vertically within the frame.

**Si-To MC**

# Black

Release: 25.May 2019

RRP: 9,99€

Four years after his debut, Si-To MC is back with a new album and brings back old memories and new song. The album is as a satire album to the German hardcore gansta rap with a trash style.

16	Danke (Outro)	5:46

Vier Sterne Deluxe Records prestents the new album from DJ Kaito.

Afther the big sucess of #LightningQuader, DJ Kaito strikes back with **Signal kommt**.

Like the previous album it includes many political songs like **#Truthrap** with the rapper Sintakk from Berlin, a few RST tracks with Si-To MC that releases his second album BLACK earlier this year or personal songs like the second part of the Abrechnung series.

Together with well known Beat artists like Mixla Productions or Legio Beats this album was made possible. DJ Moesql and GrvMUSIC4you are also part of the beat team behind this album.

Available Everywhere as Download and Stream

The CD is **Limited to 150 copies**.
